

To- C-Span ¹⁻¹⁴⁻⁹⁹ O. Flynt

From- [REDACTED]

You advertised for several days prior to Monday, January 11th that you would air the Larry Flynt show. You kept that up right until the moment you were to put the show on then you pulled it. I made special arrangements to see it cancelling other activities as did my friends also. My opinion of your channel has certainly changed because of that. TCI gave me your address when I complained.
