thank you for help US to go to washington D.C

Lendourus Light School

Dear Mr. Lamb, the Closeup trip to We went on the Closeup trip to Waskington D. C. during the mosth of December. It was the most wonderfully or ganized educational trip that I've ever had the pleasure of being a part of. The students and Preally appreciate your financial support, because without it our trip would not have been a possibility. Thank you, P.S. all of the students want to go again next year !
