Re: Mr Scully's remarks today

It seems that Mr Scully has never met us Pacific Northwest indians, judging from his pronumciation of the name to of the 25,000 person community of Is-say' kwah, Washington.

Kindly buy him an airplane ticket so he might meet some of those who live in Iss'ah kwa' (Issaquah) Washington, a community East of Seattle by about 20 miles.

[REDACTED]
Vashon, Washington, 98070

(Chautauqua, after ther New York indians of the same name)
