

Dear Mr. Lamb

5-9-94

Thank you for your suplash program on
"The Longest Day" I watched every minute
of it. I was 6 years old. I remember the
newsreels in the "picture show" vividly-
I watched, remembered and wept along
with many other people in this county.

I also believe it is a disgrace to our
nation that Bill Clinton is going to Normandy.

Houston, TX 77025
