

Mr. Lamb -

Laguna Hills, CA 92653

It was great to, see
a C-span Washington
journal that had a
guest host, Mr. Yang,
that was really great.
Of course he had two
young Black men that
also had manners and
fairness. That is some -

thing hard to find in
the Liberal, Radical, Lying,
extremist gang. - like
Rangel - Eleanor Holmes
Norton - et al that
scream & interrupt, It
is evident also in Cleft,
Frank et al. - I would
never, ever, believe a
Democrat & would gag
them every time an
American speaks.

Love
