Concast Cablevision
P.O. Box 10017
Van Nuys, CA 91410-1117

Dear Sirs:

I wish to thank the cable vision industry for providing the public with C-SPAN.

I feel this service will do much to retain our democracy because we the people have access to the process of government and can therefore perform our duty as citizens with knowledge.

I would very much like to have C-SPAN 2 service on my Balboa cable.

Sincerely,
[REDACTED]
