

O-mmm

Oct. 20, 1995

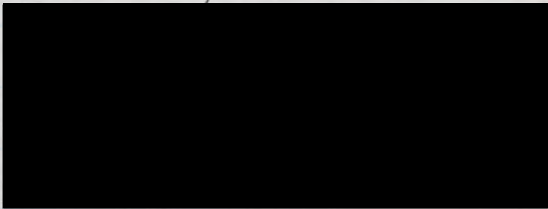

Dear C-Span,

Just a short note
with lots of love, ~~and~~
respect and millions
of thanks for the
coverage that you
did on the Million
Man March, Oct 16,
1995.

I started watching
at 4:30 am. on CNN
(then switch at 9am to
watch Oprah til 10am 😊)

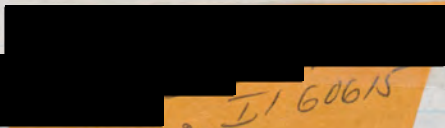

Then Tried to
find a channel covering
the march ^(at 10am) your channel
(52 here in Chicago) was
The only one that
was covering it at the time
I was switching channels (over)

Again, Thank You!
Thank you!!
Thank you!!!

P.S. Sorry to admit I didn't
even know there was
a channel called C-Span
before the march - Now
I know and believe
me I'll know for
the rest of my life
Thanks Again

P.S.S. Just wanted to share a
little more love from me
in my small way - dedicated
to the children ... and friends.
Peace
