

Dear C Span,

I like your Call-in News Shows with your Guests of Reporters of the News from "Local" News Papers and occasionally a Republican or Democratic member of Congress. I wish you would have more Reporters from "Political" News Papers or Magazines included in your Round Table Discussions. I subscribe to two Political News Papers and sometimes more than two. They have Investigative Reporters that aren't afraid to give direct answers to the callers when the Caller asks about "October Surprise" or the "mysterious" death of Investigative Journalist Daniel Casolaro, who was researching the Inslaw Corp. v United States Government Robbery Law Suits. Only Journalists from these little Weekly Political News Papers can answer your Callers cause they are the Journalist who do all the Investigations - no wonder the other News Papers can't answer your callers cause they don't know what the Caller is talking about. Will you have at least one or two of these Journalist on your News Call-in Shows one or twice a month? I will give you a few

names to invite - you have had some of them on
your show before - especially when "October Surprise"
got Steamy "Hot" but they have uncovered some
more evidence like the Justice Dept. - withholding evidence
how they gained Possession of "Promis" that was
Invented by the owner of Inslaw, Bill Hamilton
Please get this continuing story as it is uncovered by
these Investigative Reporters from "In These Times" - Joel
Bleifuss - John Carham - Clyde - Jim Wurst - John Judis
and "The Nation" Christopher Hitchens, Alexander Cockburn,
David Corn, Andrew Koppard - Malby Irwin (contributing Editor)

If you could do this C Span - you would have
a whole lot more questions answered for you Callers -
And these are ^{not} the "Trashy" Investigators for Supermarket
Talks - you already know "October Surprise" has not
gone away - Congress is doing some investigating and
then has been a re opening Investigating of the Inslaw -
"Promis" Law Suit Case and the Mysterious death
of the Journalist Daniel Casolaro. - and I think
we have heard all we want to hear about Sep
Exposures of Judges - The Kennedy Family and The
Democratic Presidential Candidate -

I watch you every day - You have the best
Informative News Shows - but you can better cover it
by including Political News Investigative Reporters
