Attn: Program Director

Subject: Speech by Madalyn Murray-O'Hair, April 21, 1990.

Dear Program Director:

I want to thank you for taking the time to air the speech given by Madalyn Murray-O'Hair at the Twentieth National American Atheists Convention held in St. Petersburg, FL. on April 14. By doing so, you enabled many of our members, who could not attend the Convention, to hear her remarks.

As a non-profit, educational organization, American Atheists advocate and work for the absolute separation of state and church and the remarks by Dr. O'Hair illustrated how difficult it is in the judicial system for Atheists.

As a frequent viewer of C-SPAN, I want to personally thank those in management for the courage to air not only this speech, but also programs of a controversial nature. The nation needs more of this type of programming.

Sincerely,
