

Dear C-Span,

This is just a little note to thank
you for your excellent
DeTocqueville series.

It was so enjoyable and
educational. You have been an
inspiration to many people all
over this country. Thanks to all
the staff behind the scenes.

Your preparation and camera
work was great! You should all
feel pride at a job well-done. I
truly enjoyed the whole series
plus reading your wonderful
web page on the Internet. I
know it took a lot of work to do
all that you did.

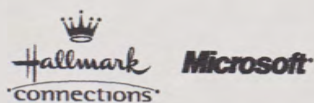

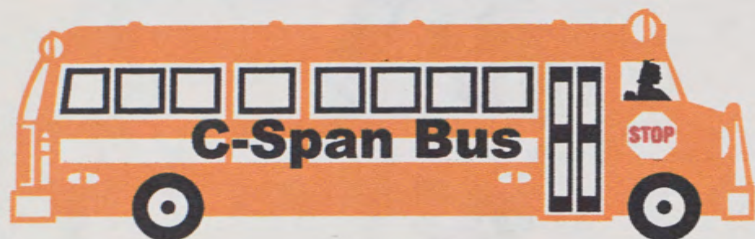

*Because you
certainly
did it all!*

*Thanks so
much
Sincerely*
