BL:

You probably get
lots of mail
notes; here's one
more.

I appreciate all
that you do. Esp.
enjoyed Dec 98 Interview
w. Hot Ventura (+ you
seemed to enjoy it as
well!).

"Presidents" #1 gave me
a whole new take on
HW. I will gobble up all
the offerings in this series.

Give light,
and the darkness
will disappear.

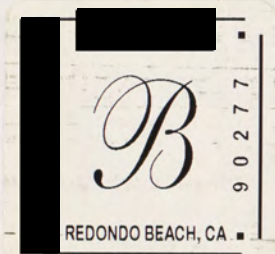

Happy 20th!

You're the bee's knees.
