Dear Ms. Hunter:

I am in receipt of your letter in reference to my correspondence in regards to our P.O.W.'s presently being held in Southeast Asia, China, and the Soviet Union.

I would hope that my letter is indeed being forwarded to your Executive and Editorial Boards.

As mentioned in my previous correspondence, these men and women in captivity have no other champions to fight for them but people who are willing to put forth an effort to expose what our government is covering-up.

Front organizations like the House Task Force on American Prisoners and Missing in Southeast Asia, headed by Rep. Stephen Solarz, have been very successful in keeping the American public in the dark about what is really going on.

As you may not know, other organizations have been formed by relatives of P.O.W.'s and M.I.A.'s because they are aware that the House Task Force is a sham.

One of the best of these organizations is Task Force Omega, with its national headquarters located in Stockbridge, Michigan.

If, as I said, you and your colleagues have any degree of humanity and are willing to buck the system to find the truth and help bring these people home, please contact Task Force Omega at [REDACTED]

If at all possible, keep me abreast of your efforts in helping your fellow human beings.

Sincerely,

[REDACTED]
