Dear Mr. Lamb:

On 7/12/92 @ 6:00 P.M., I enjoyed the interview with John Chancellor of NBC News. Mr. Chancellor expressed my thoughts; + there was eye to eye contact - unusual.

The Friday morning show - 8AM w. media representatives discussing current issues is stimulating. Especially is Robt Bartley's unassuming incisive comments succinctly expressed recently. C-SPAN keeps me in touch.

Sincerely,

VINCENT VAN GOGH (1853-1890)
