C-Span

Attention: Brian Lamb
Chairman

Dear Sir:

The programs, on C-Span,
are very interesting and
informative.

I am retired and find
this network keeps me
abreast of current events.
I watched "Imus - Live"
on Jan 7th, from
New York, and found
it most entertaining.

Is there any chance,
I may purchase this
tape? Kindly advise me.

Thank you,

Kearny, N.J. 07032
