Re: Call-In Guests Lists

Yes, yes, please do return to listing the names and addresses of Call-In guests and the dates they appeared. It is very helpful to viewers who wish to contact them, since the printing on the screen is seen briefly while ^{the} trying to write it down.

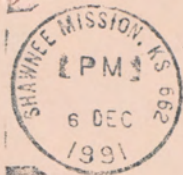

Also, please give the "left" more opportunity to appear as guests, like Noam Chomsky, Michael Parenti and Jonathan Gwintay.

Sincerely,

Overland Park, KS

66207
