Dear C-Span2:

I want to express my deep appreciation for your rebroadcasts of the Moscow Evening News. I find that program to be highly informative and I urge you to continue carrying this service in the future. The next several years will be a very critical period in Russian (and world) history, and your rebroadcasts provide a highly valuable service to the American viewer. You have my sincere gratitude for carrying this service—it is the main thing I watch on C-Span2.

Thank you very much. Please, continue!

Yours very truly,
