Dear Mr. Lamb,

I have now had the luck to watch C-Span for 4 years. I only wish we had C-Span II as well; but I'm sure I'd be torn between the two as which to watch the closes.

I've never called the show because I'm afraid I'd blast out too much, and be cut off.

Many say they can't quite figure you out, and you always reply you hope they never will.

However; after 4 years I think I have, as well as, the whole C-Span thrust.

It's:

Save Our Constitution!

I can only reply that we're trying, but with the wiggles, waggles and gyrations we're treated to that go on in Washington, it's getting harder to keep 1 step ahead.

Keep the faith - keep up the good work, and don't ever quit keeping us well informed.

Sincerely

Another C-Span junky.
