Dear Mr. Murphy,

I would like to thank you and your network for providing live coverage of the Gay and Lesbian March on Washington. I was unable to make it to the March and therefore had to rely on TV coverage to see the event. Your coverage was excellent and much appreciated throughout the gay and lesbian community. It is not often that six hours of television coverage is given to gay and lesbian issues.

Because of your coverage, C-SPAN's image in the gay and lesbian community was improved considerably. We are a large, affluent, and important group of people and we remember our friends, as well as our enemies. It is clear that C-SPAN can be counted among our growing number of friends.

Again, thank you for your coverage and keep up the good work.

Sincerely,

██████████
