Dear Sirs:

Once again, Thank you so much for your presidents series! I have taped them all so far, but due to my error and our cable service interruption I failed to get to record "Theodore Roosevelt's" episode which aired Sept. 3, 1999. When I wrote you once before when I had failed to see Geo. Washington you sent me a ~~scheduled show~~ schedule of the Re-Air series of the first half of the Presidents Series + in fact called + told me that they were beginning that night and I was able to view + record that episode. Once again could you provide

me with a list of dates & times if you are planning to re-air the second half of the "Presidents Series".?

Since I wrote last time we have visited ~~17~~⁷ more Presidents sites - ^① Geo. Bush in College Sta, Tx., ^② Andrew Jackson in Nashville, In., ^③ James K. Polk in Columbia, In., ^④ Jimmy Carter in Atlanta, ^⑤ Lincoln in Hodgenville, Ky, Knox Creek, Springfield, Ill. and Benjamin Harrison in Indianapolis, Ind. & ^⑦ U.S. Grant in St. Louis, Mo.

This brings our visit list to 17 presidents sites and The White House and 3 of Jefferson Davis' historical sites.

Does C-Span plan any more series on other historical sites or possibly a First Ladies Series? I hope so.

This is a fascinating retirement hobby and our six grandchildren are becoming very excited with the history, facts & trivia that they would never get in school. Thank you if you have a Re-Air List.
