BookNotes - Dear Brian -

I want to Tell you how I
enjoy "BookNotes" - I look for it
every week -

Even when I think I
might not like the book - I find that
every time is so satisfactory - Mainly
because you are such a good interviewer,

Your questions & interviews make even
the dullest book, most boring author —
everything comes alive!

I am not a Hillary — R. C.
fan — but I found the evening was
well done — You asked some good
questions, and she got in her pitch —
Should be fair all around.

Am enclosing an article (letter)
from the Dallas Morning News —
Thank you — for C-span etc —
Sincerely
