

Sir,

You are in charge,  
so please explain why  
George W. Bush got over  
two hours of publicity  
on C-Span (on what is  
usually Washington Journal  
time) We didn't watch much  
but enough to be disgusted  
that you were freely giving  
publicity to one Republican  
who seems to have a head  
start on his own.

You usually do not show  
preferences in politics.

Sincerely,

Vincennes, IN  
47591
