Dear Sirs:

On Feb. 14, my husband and I attended an event taped by C-SPAN for your American Presidents series - a lecture on James K. Polk at The Hayes Presidential Center in Fremont, Ohio.

Could you please advise when this will be telecast on C-SPAN? I am particularly interested in the period of the Mexican-American war, which ^{was given} ~~has given~~ almost no commemorative sesquicentennial attention recently - probably because it is a bit of an embarrassment to do so in this era of immigrant-bashing.

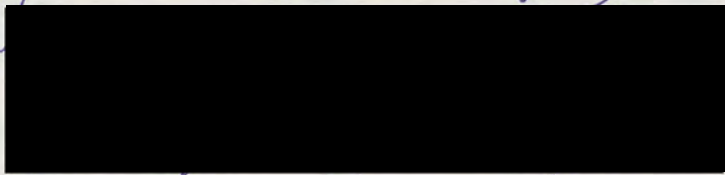

I would be interested in the date you program this lecture and also anything else about Polk and that era.

Incidentally, I am an avid member of your "Booknotes" weekend

programming. But I have no access to a schedule other than the audio announcements made from time to time. I personally would be willing to pay a small subscription fee for a simply-produced monthly schedule of your "Booknotes" programming and also your special series programming, such as the programs on de Tocqueville. Otherwise, it is hit-or-miss Channel-surfing to find them.

I am enclosing a stamped self-addressed envelope for the information I have requested.

Yours very truly,

Bowling Green, OH 43402
