

Dear Editor:

7/31/98

We must not waiver from our support of President Clinton -- for the good of the nation.

He has been -- is -- an outstanding President. Hillary's the 2nd best First Lady, ever. Eleanor (FDR) was more Valuable.

The two -- Bill and Hillary, have made the Country better, more equal, and (except for the haters) more Kind and Caring.

Please tell others. They need and deserve our continued help.
