Dear Mr. Lamb:

As an African-American female, I
would like for you to have some "people
of color" authors on your Sunday
evening book program at 8:00 p.m.

Each Sunday, I watch your
program, and I have learned a lot

from your Eurocentric white and Jewish authors.

Please consider inviting the following authors to your program:

⊗ How I Wrote Jubilee, and other Essays on Life and Literature by Margaret Walker (1990).

⊗ Resistance Art in South Africa by Sue Williamson (St. Martin's Press, 1990).

⊗ Sean Macster: Letters of a Slave Family edited by Randall M. Miller (University of Georgia Press, 1990).

⊗ Songs of my People by Eric Eastern, D. Michael Cheeks, and Dudley Brooks (Boston: Little, Brown).

yes!!!

⊗ Faces at the Bottom of the Well:

The Permanence of Racism (Basic Books) by Derrick Bell.

⊗ Visions for Black Men by Na'im Akbar (Winston - Derek).

⊗ J. California Cooper - a black woman whose writings are a hidden jewel.

⊗ a 1992 best-seller Two Nations: Black And White, Separate, Hostile, Unequal by Andrew Hacker, a professor of political science at Queens College.

yes!!!

⊗ Cornell West's Race Matters (Boston: Beacon Press).

Later this year, I will send you another list of authors to think about having on your program.

Personally, I would like to see more black female writers (political and social issues).

Please invite "people of color" authors - Hispanics, Asians, and African-Americans.

For a white man, you are not such a bad person. However, you can act like a snob when you want to be "holly acting."

Thank you for reading my letter.

- ⊗ Divorce Roman Catholic
- ⊗ Mother of two kids in
- ⊗ College !!
- ⊗ Zeta Phi Beta Sorority
- ⊗ Democrat.
- ⊗ Pro-Choice.

Sincerely yours

Please do not send me a return letter.

Call me in the mornings only [REDACTED] new number. Working from 1:30 until 8:30 p.m. Greenville County Recreation Department.

Books:

- ⊗ Jazz by Toni Morrison
- ⊗ Possessing the Secret of Joy by Alice. (my 52nd birthday is on October 29th, please have Alice Walker on your show on October 31, 1993)
- ⊗ Waiting to Exhale by Terry McMillan
- ⊗ Social issues - all the above books are about social issues that are affecting the African-American communities in America.

Personnel Attention:

Mr. Brian Lamb
