

Brian Lamb-

O-Pros, two parts

On Tues 5/18 - on the elections in Israel
a "call in" blamed Rabin's assassination
on Rush Limbaugh. Sue? Let it pass
w/o comment. (I believe you would have
spoken against such allegations) For hate
speech - Carnille was brought to Israel
w/ Clinton on the Air for a one - He reported
to Clinton on the progress - and if you remember
back when Rabin was assass - the first reports
included the fact that Clinton had forced the
peace agreement - Let's not blame Rush!!
