Dear Mr. Lamb,

I would like to express my deepest appreciation to you for enabling us to participate in the Close-Up program during the week of the Presidential Inauguration. We participated in the program with students from New York, New Mexico, Georgia, and Louisiana, and Missouri.

The activities planned for us were exciting and educational. It is still hard to believe that we witnessed history in the making. We could feel the prayerful hopes of the American people as Bill Clinton was inaugurated as our 42nd U.S. President.

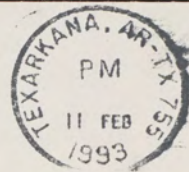

The week was unforgettable, and we know that without your interest and support, participation would be difficult. Many thanks to you for making it available to us. We hope that you will continue to support Close-Up so that other students will be able to see and learn firsthand how our government operates.

Sincerely,
