"Full

you stand out as one  
of the few of integrity,  
intellectual honesty,  
and general common  
decency.

I believe life is  
easier if you believe  
virtue is its own reward  
but I'm sure you are  
appreciated by many.

Sincerely,

Dear Mr. Ramsey,

Among the many  
"full of sound and  
fury signifying nothing,"  
you stand out as one  
of the few of integrity,  
intellectual honesty,  
and general common  
decency.

I believe life is  
easier if you believe  
virtue is its own reward  
but I'm sure you are  
appreciated by many.

Sincerely,
