

Dec. 30, 1998

Dear Brian,

Many thanks for covering the presentation of Voices In The Wilderness [Dec. 30], the group that on moral grounds advocates civil disobedience against the U.S.-enforced sanctions imposed on Iraq.

It's good to know that at least one representative of the major broadcast media has the journalistic integrity to air all points of view, including unpopular ones, on controversial issues of the day.

Keep up the good work,

o. Voices
