Dear Brian,

Thank you for C-span 4 especially the Presidents Series.

Originally I tried to tape them all - but some I missed, plus on my limited income as a Senior Citizen it would have taken too many tapes, that I couldn't afford; 20 at least.

Please consider a favor; I was one of the first to order the large packet of the Artists' Drawings, along with a short Bio. of all the Presidents. (in red cover.) Couldnt you consider an hour of the fine minutes or so picture of each President along with the short bio. so that I could have one tape only? I bought the packet for my grandson - but would love to have such a tape for myself.

You'll be pleased to know I had your "Book Notes" sent to my daughter's father for his birthday, which she ordered for him at my suggestion.

I'm hooked on C-span and have also discovered Fox News Channel - their motto being: "fair and balanced reporting". I watch this every night.

Thank you for noting my suggestions. I'd would be most appreciated - maybe for many others too.

Sincerely,

P.S. Happy holidays to you and your staff.
