

Dear Sirs:

O.W.J

Please remove the separate phone lines for Democrats, Republicans, and others. It appears as if the head honchos at Time Warner got on your case to create an artificially level playing field. It was much better when you took the calls on a random basis. I'm also quite annoyed with your glaring lack of coverage of the Senate Governmental Affairs Committee hearings. The powers that be are telling us the public is bored with the hearings, and yet I see that CBS, NBC, ABC, CNN, PBS, and your station are providing either very little or no coverage at all. What a joke. We still continue to get the one-sided liberal news filter crammed down our throats. I used to like you guys, but it now seems that you're gradually conforming to the bias of the mainstream news establishment. How sad!
