Dear Sir:

I am writing to inquire if it is at all possible to obtain a copy of Jack Kemp's speech he gave so eloquently on CSPAN recently. It was the closing speech given at the Political Conservatives Committee Conference.

I just got so much out of it and just couldn't digest it all. I have told many of my friends and sure would love to share it with them. It's a good means of advertising as (tell one woman something and she tells ten then they tell a hundred).

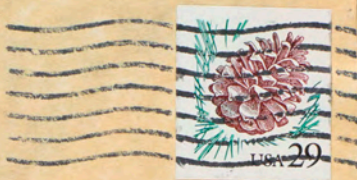

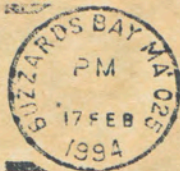

His speech had so much substance I just would love to study it more carefully.

We are a retired couple living on beautiful Cape Cod.

Looking forward to hearing from you.

Sincerely,
Mr. and Mrs. [redacted]
