Gentlemen,

I do not watch commercial television at all but do watch PBS + C-Span. I must commend C-Span for its excellent TV coverage and its attempt to educate the public

Some weeks ago you carried an address by Madelyn Murray - O'Hair

KAISER PERMANENTE

from the National Athletic
Convention in St Petersburg,
Florida. Thank you!
Mr O'Hara is like a ~~strong~~ ^{breath}
of fresh air in the numerous
ongoing saga of TV
revivals.

Keep up the good
work - I especially
like any programs on
athletics.

Sincerely,
