O-House

We saw Ken Calvert on C-SPAN this a.m. chairing a congressional hearing. Beside his name we saw (D-Ca), indicating that he is a Democrat. WE KNOW THAT HE IS A REPUBLICAN and wonder if you did this on purpose, knowing that he had been involved in a flagrant sex scandal. We also know that you have been one of the greatest promoters of the Washington Times, the Moonie newspaper, which can only be described as a powerful Clinton hater, as well as an ardent mouthpiece for the Republican Party. We have seen you do this time after time and, while others say how wonderful you are, we heartily disagree. One as biased as you are loses ALL CREDIBILITY.
