CNN. Marketing,

I watched the inauguration  
on Wed Jan 20th.

Your coverage was beautiful  
until 4 pm. CSP comes on our  
Ch 23 -

I am outraged Viacom Cable and  
Butte College took the Channel we  
could see no more of any of the  
balls or rest of the parties

Surely you can do something  
about this I am paying for  
this Cable Channel. I just had  
another raise to ex fee.

Can't you put that on another Ch.

I am thoroughly disgusted  
with this set up - I have  
told Viacom - it does no good

Can't you do something??  
fed up  
outraged  
& disgusted
