

C-SPAN - I had applause for the amazing
 9 hr. + coverage of the rainbow coalition
 forum on Saturday, Jan. 25. The presenta-
 tion which showcased all the leading
 Democratic candidates, their wit & sense
 of humor, but above all their ideas was super,
 I hope, 1) that these extraordinary candidates
 have the sense to build each on the good
 ideas of the others. Among them they offer a
 tremendous body of constructive policy.
 2) that the Rainbow coalition or C-SPAN
 or someone quickly gets out a paperback &
 transcript of the entire script. It would be
 a good campaign document & give me (and others) a
 chance to pick up the bits I had to miss because
 demands of living forbade hearing it all. No truly
