The C-SPAN Audio Networks
400 North Capitol Street, N.W.
Suite 650
Washington, DC 20001

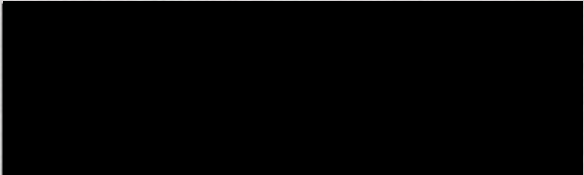

Dear Sir:

I am interested in subscribing to C-SPAN Audio 1 and C-SPAN Audio 2. I am particularly interested in C-SPAN Audio 2, as I am a great fan of the BBC world service from London.

Could you please send me any information you have about the availability of these networks in my area. Incidentally, I am a cable subscriber to Cablevision in Cleveland Heights .

Hoping to hear from you soon.

Yours sincerely,

PS: See attached copy of page from Monitoring Times,
