Brian Lamb, C-SPAN

Dear Brian,

I rearranged my schedule so that I could watch the last Journalists' Roundtable before the election. Talk show hosts! WHAT A DISAPPOINTMENT!

If you must have those obnoxious bullies on, do not schedule them when we are expecting real journalists.

And it would be only fair to the viewers to have a warning on the screen before they appear: perhaps a big flapping mouth and the message: *the following program may be offensive to viewers with any intelligence.*

Sincerely,

Yonkers FL 34446

I do appreciate you having the radio talk shows broadcast at other times, because then I turn off the TV and do other things, knowing I am not missing a thing.
