

C-Span Program Director: CC: S. Traher^{11/23/90}

Please compile a program concerning the new plan in the formation concerning FDIC and Treasury Dept. wishing to restrict Citizens having only 3 (limit) bank accounts that could be insured up to \$100,000 each.

The Independent Bankers' Ass'n of America is opposed to such a plan or regulation.

Undersecretary of Treas. Dept. Robert Glauber is preparing a department study of it also.

Thank you.

Sincerely,

When will your new C-Span Handbook be ready?
