Dear C-span, I just heard about your American Presidents contest. I would like to find out more about it. Please write back! I also would like to share something with you. Today, for Thanksgiving I went to my friends house and we found another piece to an old wall made in the 1840's. We climbed up it and it is pretty amazing, and next to it is an old bakery with an old, rusty mill. My friends Parents have had archeologists back there and they found some pretty neat stuff. There is also a rumor of an old man, I have forgotten his name, but they say that he was very wealthy and they say that he lived there and his grave is said to be there also. Well, thank you for reading & may God bless you.

Sincerely,

Wake Forest, N.C. 27587

(P.S. - I loved the interview w/
Lady Bird Johnson)
