Dear Mr. Lamb:

May I tell you how
fine C-Span is?! I really
did like the program on
Oxford.

You are knowledgeable,
humble and have a great,
sly sense of humor. Also,
the others on C-Span are
good. You all appear to
really like and believe
in what you are doing.
Something really missing in

a lot of T.V. programming.
I wish you good
health and continued
success.

Sincerely,
