Dear Brian,

Just a little note to thank you for your quick response to my letter, I would have answered soon but I just got back from a 2 week visit to my daughters home in your neck of the woods.

She lives in Elkridge M.D.

My son in law works for the Treasury Dept in D.C. He commutes to his job from Elkridge every morning, and has for the last 10 years.

Everything is fine with me here in N.Y.C. Come over July 2nd I will be reaching that 4 score and 3 plateau. Thank God I still feel pretty good for an old guy.

Your friend
