This must be the week  
of the liberals as guests  
on your program.  
James Smiley; Carol  
Shields whose "People  
for the American Way"  
isn't for any such  
thing - They support  
the Liberal Democrats  
entirely. It's a consciously  
deceptive name - meant  
to con people into be-  
lieving they are for all  
Americans - They are not.  
How about a few  
Republicans on once in  
a while? Screen your  
calls - People repeat  
calls every day. We know  
them, why don't you?
