C-span seems to never
miss a trick at show-
casing Republican scan-
dals - What is with
the amount of time de-
voted to Watergate? I am
looking forward to the
anniversary of Kennedy's
Bay of Pigs, Johnson's
Gulf of Tonkin, throw
in anniversary of
Kennedy's drugtaking,
meetings with Mafia
girlfriend, Marilyn Monroe
etc - A retrospective
of Clinton's escapades
with the Chinese & Indo-
nesian donors - perhaps
play Jennifer Flowers
tapes - no? I thought
not - Keep toadying
to the Democrats - it's
what you do best!
