

BOOK-
NOTES

April 10,
1994

Dear Brian Lamb,

I'd love to be
among the lucky 500. But
even if I don't receive a
Booknotes bookmark, there is
something I want even
more. In honor of the
5th anniversary of Booknotes,
will C-Span please
publish the titles,
authors, + publishers
of all the ^(OVER)

books you've presented
on the program. I promise
I'll buy the first one, and
a few more to give as
gifts to family and friends.

Please take their request
seriously and give it your
fullest consideration.

Thanks for C-Span. It
enriches my life.
Sincerely,
