Brian Lamb:

I've written three post cards over the past two or three weeks telling you about your programming and it appears it has fell on LIBERAL ears.

Again I got up and turned the TV on as I do every day (because I'm 67, almost 68, retired), and watch TV.

Again, for the umpteenth (sp) time I see you have atheistic, new age, humanistic, socialistic, communistic, Marxist types on MOST of the time.

Who was on? Not someone who did not fit in one of the categories I mentioned above but 1. Jonah Edelman, socialist for Stand For Children and 2. Emily Lawrence for Third Millennium Marxist. So, I "flipped" you, your host and two guest off, both ways.

2

Your host was not unbiased,
he guided the discussion in a biased
direction.

I use to watch C-Span a lot
but rarely watch it now. You're
getting to be just like NBC, CBS,
and ABC (I didn't include CNN because
I NEVER watch it - PERIOD). They
are LIBERAL - I learned that years
ago.

I'm a 67 year old American
who spent 20 years in the 40's, 50's, &
60's defending my Country - NOT
LIBERAL, socialistic Marxism.

I feel like you suck. You're
not neutral. You put on 3 phone
lines - that's wrong.

So, adios

USAF (Ret), Democrat

PS: I'm glad I found Fox News Network
and NET. Thank you Lord. OVER

To back up my complaint,
I turned back to C-Span
just to see who else was
up next - I am still
right - 2 more socialist
Anthony Williams + Paul Strauss
badmouthing republicans (on
DC statehood).

after backing up my claim
I "flied" you off again.

The way you are running C-Span
I say crap on you.
