

Monday evening 9/27

Dear Mr. Lamb,

Must refer to your call-in  
"Journalist Roundtable" Friday  
morning show.

That was wrong with  
Eric Breindel's eyes. He seemed  
half-asleep when the camera  
took a close-up. However  
when asked a question his  
eyes lit up like round pools  
of light.

Goodgame and Rose  
seemed bored. Was it the  
early morning hour for  
all three?

Also when a caller  
mentioned the name of  
Rush Limbaugh everyone  
dozzmed up even you.

This morning's show  
was great. Steve Pueren  
and Chris Matthews are  
excellent together.
