just felt

to you about
ogram I saw
ite, the "White

"House Tour" 3 hrs with all
its magnificence.

I want to ask you if you
will bring it back to us
sometime in the near future,
some of my relatives missed
it. I am sure they would enjoy
to see it. I would certainly
like to see it again, every minute
of it. It was a great treat.

Please bring it back often as
the young people should appreciate
seeing it. Thank you
