Dear Brian:

Thanks for C-SPAN. I stayed with C-SPAN. Sick of the talking heads. Can't stand Rivera. I love Ken Starr. Great Judge! I was a legal secretary for 18 years and I respect the Law. The Law is not corrupt — people corrupt the Law. Just as people corrupt life and nations. Character does matter. I was so happy to see Judge Starr get a standing ovation. I liked the last lawyer on the Committee who spoke with Ken Starr, don't remember his name. Good man. Henry Hyde is basically a gentle man and fair. The Democrats took advantage of him. Can't stand Schumer. A real devious politician. I watched some of these Democrats on the WACO Hearings on C-SPAN. Schumer, Jackson Lee, Loftis (CA), and others, really awful. Gosh! Makes you wonder what the Democratic base is today — and Mr. Clinton at the pinnacle!!! I was a Democrat years ago. No more. The Democratic

Party disintegrates. A nation is no better than its people. The same goes for a party or a community.

I have today to spend Thanksgiving with my dear Son and his family in Virginia Beach. Back here December 1st, will watch C-SPAN from Virginia.

Take care - and have a Happy Thanksgiving -- everyone at C-SPAN.

God bless,
