space to my right.

Right now Sen. Bob
Kerry is on and the
D does not show -
only the - & state name
can be seen. This has
been true ~~for~~ since
this switch was made.

Your call is #

the 1st #. Mr. Henry's
address shows as

Can this be
corrected? This is
something I've waited
to see corrected -
At least now you
know about this.
