Dear Mr. Brian:

Aside from being a steady viewer of C-Span because you all do such superb work, I want to thank you all for the tremendous C-Span 1993 U.S. Congress Handbook which I just received in my mail. It is outstanding, so valuable to me for drawing pointed drawings, like the above illustration. I really appreciate the great care and dedicated compiling of this remarkably-valuable work.

Thanks so much for all you all are doing for America as a truly objective news service.

Cordially,

"sent around," I wouldn't be
exactly upset.
